Hello everyone I have talked to Boyd and when i try to put an email to him it is rejected, That said I have been in contact w/ BYU services and for \$9,00 pr hour we can have students count ballots, A total of \$18 dollars . Two students for one hour, We would also need 1 or 2 members to help verify, Any objections??  
 THanks Tom Sec. HVPOA The students would be from 10:30 am to 11:30 am

Great idea! I vote yes. Make some calls, i don't see anyone objecting to it. It the rest of the board objects we will not use them.

Great idea. I approve. I predict we will not be ready to count ballots much before 11:15
